

SAVE THE DATE SUMMER 2016

Outside the Box is a not-for-profit organization dedicated to empowering people to be the leaders in their lives and to create meaning in their days! While most people know of us as specializing in working with people with disabilities, we have developed a summer camp curriculum designed to integrate people, no matter what their challenges or capabilities, to discover themselves and each other through various artful expressions. This year, the sixth annual **CAMP Create U!** offers another opportunity for us to think "Outside the Box!"

Where: NEW LOCATION Christ the Savior Lutheran Church, 10500 East 126th Street in Fishers, Indiana. This new partnership (who also hosts our after school program,) houses classrooms, a commercial kitchen, and lots of space for us to enjoy indoor camp activities. Plenty of open space outdoors will also be used!

Theme: We will focus on awareness of each other and ourselves with a focus on each person's capabilities! All staff will be well trained in working with campers – and in integrating all people without regard for culture, ethnicity, or capability! We will focus on celebration of each person's uniqueness through interactive activities, athletics and the arts!
